

Mercer India Monitor

Leverage Mercer's cutting - edge insights on HR issues to stay ahead as strategic business partners

- Do you need regular updates on HR budgets, staff turnover, headcount growth and planning, changes to benefits and incentive plans in the market?
- Are you aware of how other companies are dealing with pay increases in this fast changing economy?
- Do you have access to legislative updates, key HR trends, hot topics, news and thought leadership on current issues?

Mercer India Monitor caters to the evolving and unique demands of the HR function in India and is positioned to be one of your most valuable tools for dealing with the increasing challenges in this continually evolving landscape.

It's an exclusive opportunity for you to

1. Receive regular updates and market intelligence on key HR issues and initiatives
2. Have access to information and intellectual capital at affordable prices.

What is Mercer India Monitor?

A survey report consisting of two parts:

- a. A section exploring common topics, such as changes in HR budget, staff turnover, head count growth and planning, changes to benefits and incentive plans. This section is standard across all quarters.

Where and when available, information from the Asia Pacific region will also be included in this section.

- b. A section focusing on HR 'Hot Topics'. You will receive first-hand market information on how companies plan to address a specific hot issue.

July 2011 Update
