

# MERCER GLOBAL MOBILITY FORUMS

Today's HR professionals operate in a truly global business and talent environment. Mercer's Global Mobility Forums provide a comprehensive platform where HR professionals can expand their knowledge and tap into a vast amount of expertise and resources.

The Forums bring together Global Mobility professionals, Mercer's thought leaders and external subject matter experts to discuss strategies, trends and best practices in an exclusive environment.

## ANNUAL MEMBER BENEFITS

As a Mobility Forum member you will enjoy the following benefits:

- Participation in 2 events per annum in Singapore.
- Automatic membership of Mobility Forums in China, India, Taiwan, Hong Kong, Middle East and South Africa, including access to their presentation materials, upon request.
- Access to spot surveys on specific hot topics and presentation materials exclusively prepared for Mobility Forum members.
- Free participation to Mercer's [Mobility training workshops](#) (in Singapore) for up to 2 employees of your organization.
- Ongoing networking opportunities with other members of Mercer's Mobility Forums in Singapore and other countries.
- Discounted registration fees for other Mercer Mobility events.

## INTELLIGENT BUSINESS CONTENT AND GUARANTEED ROI

Mercer's commitment is to ensure that the Forums focus on issues that add value to the member's organizations. Therefore the Forum's agenda is determined by its members and includes round table discussions, case studies, insights research, spot surveys and guest speakers.

Examples of topics:

- Mobility challenges and strategies for emerging markets
- Defining and measuring the effectiveness and success of Mobility programs
- Focus on commuters, business travelers and short-term assignments
- Localization practices
- Retirement benefits for mobile employees
- Managing the cost of international assignments

## OVERVIEW

- Two events per annum
- Automatic membership of Mobility Forums in other emerging markets
