

Lead your organization towards the new way of work with the

Flex Policy Workshop

Join Mercer and other organizations for an interactive and collaborative virtual workshop in creating a best-fit flex work policy.

3 days

5 organizations

3 attendees

*Maximum of 15 attendees per training. Each organization is allotted 3 attendees.

Invest, take the time now, and walk away with a successful flex work plan that will position your organization for success. By participating, you will be provided:

- ➔ Direct access to Mercer consultants
- ➔ One-on-one conversations with experts
- ➔ Get specific questions answered
- ➔ Learn and interact with peers from other companies
- ➔ Be equipped to build and implement a sustainable flex work policy
- ➔ Receive vital training materials on policy design and implementation
- ➔ Receive a flexible work policy workbook to guide the process (valued at \$7,000)
- ➔ Enjoy a collaborative environment – allowing idea sharing from all participants

Agenda

Foundations of Flexibility

Day 1 – 2 hours

Learning objectives

- Introduction to flex work
- Mercer’s point of view and approach to flexible working policies
- Understanding key considerations in developing and implementing flex work policies

Elements of a Flexible Policy

Day 2 – 3 hours

- Definition and scope of flex work, with an emphasis on remote work
- Eligibility for flex work

Building a Sustainable Flexible Policy

Day 3 – 2 hours

- Compensation and benefits implications
- Employee and employer expectations
- Sustainable implementation and administration

Investment to participate: \$10,000 per organization (for up to 3 participants)
