# of companies submitting data **2,350**

[View full list](#)

Mercer surveys are built using employee data collected from companies. The act of submitting data to a survey is known as survey participation and your company is then viewed as a participant that is entitled to receive key benefits.

- A discount on survey results.
- Exclusive invitations to events that provide expert insight into the survey results.
- The ability to compare your data to peer companies or competitors that you select.

## Survey schedule

Participation runs from February through April with result available in August

## Pricing

\$2,300 – Participants      \$4,600 – Non-participants
